## Patterns to exploit

- **Scheme questions ask the purpose or the launching ministry.** Learn each scheme as 'name – what it does – who runs it'. Section 4 lists your PYQ schemes with answers.
- **Education items show up in nearly every paper** (NCF, Swachh Vidyalaya Puraskar, IIT events, NILP). As a TGT candidate, Section 2 is high-yield.
- **Culture questions are about places and firsts** (Gurgaon institute, Kolkata bazaar, Hyderabad statue). Section 5 covers the latest UNESCO and heritage news.
- **One answer-key note:** in SS 2023 Q29, the PYQ statement says ESIC pays maternity benefit for 36 weeks. The real figure is 26 weeks, which is why that statement was wrong and the key was 'Only I and II'.
- Papers drew on the previous 12–18 months, so the 2026 Census, VB-G RAM G and the new education rules are the top tier.
