OAVS TGT · Current Affairs

Part 1: SPORTS

Exam-oriented notes built from 5 previous-year papers (2019, 2022, 2023, 2024 ×2)

Coverage window: Jan 2025 – Oct 2026 · Compiled 24 Oct 2026

What this series is

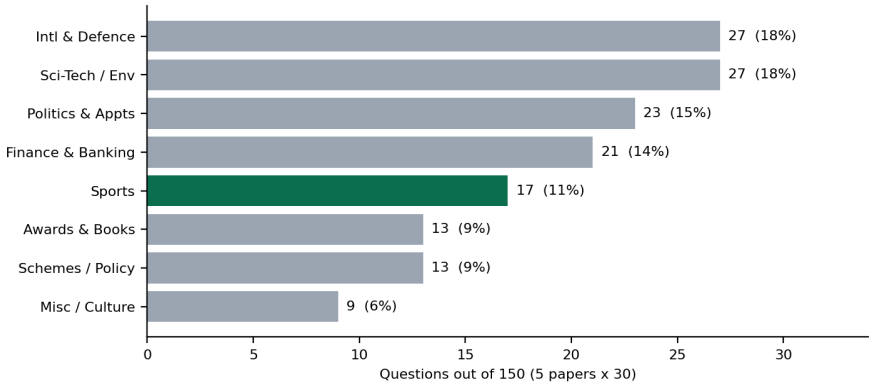

The OAVS TGT paper carries a **30-mark Current Affairs section** (Sports, Awards, Politics, Finance & Banking, International happenings, etc.). I analysed every current-affairs question in your five PDFs, found how often each topic appears, and ordered the parts of this series by that frequency. **This is Part 1 (Sports).** Later parts follow the roadmap below, one section at a time.

Part	Section	PYQ share (of 150 Qs)	Status
1	Sports	17 Qs · 11%	**This file**
2	International affairs, summits, treaties, defence exercises	27 Qs · 18%	Next
3	Science, Space, Tech, Environment & Reports	27 Qs · 18%	Planned
4	Politics, Governance & Appointments	23 Qs · 15%	Planned
5	Finance, Banking & Economy	21 Qs · 14%	Planned
6	Awards, Books, Honours & Obituaries	13 Qs · 9%	Planned
7	Government Schemes, Policies & Misc (days, culture)	22 Qs · 15%	Planned

Reliability key. ✔ = checked against live web sources on 24 Oct 2026. ◆ = from my own knowledge (still inside my reliable window) – cross-check once in a current-affairs magazine before the exam. Unmarked static facts come straight from your PYQ keys.

What the PYQs tell us

Across the five papers, **17 of 150** current-affairs questions were sports (3–5 per paper, 1 in the 2024 Maths paper). Plan for **3–5 sports questions** in the next paper.

My own tagging of all 150 questions; a question that fits two tags was placed under its main theme.

Patterns to exploit

- **Cricket is about 6 of 17** (domestic trophies, awards, captaincy, firsts). Learn winners of Ranji, Duleep, IPL and the ICC events cold.
- **'Athlete → sport' and 'event → sport/state'** is a repeat format. Learn who does what, and which state or city hosted which Games.
- **'Firsts'** (first woman umpire, first Indian para-TT medallist) appear often. Each section below lists firsts.
- **Sports policy and campaigns** (Air Sports Policy, Fit India) show up as 'static-meets-current'. Section 7 covers them.
- Questions usually cover the **previous 12–18 months**. For a late-2026/2027 exam, that means Jan 2025 onward, so Asian Games 2026, CWG 2026 and the 2026 World Cups are the top tier.

Answer-key check. In the SS 2023 file, Q1 (French Open 2022 Super 750 men's doubles) is keyed as 'Lakshya Sen and Chirag Shetty'. To my knowledge the 2022 winners were **Satwiksairaj Rankireddy and Chirag Shetty**, which is also option 1. Lakshya Sen is a singles player, so treat that extracted key as likely wrong and trust Satwik–Chirag.
